Aesthetic Perfection. Unrivaled Innovation.

Introducing InvisiHinge – the first truly invisible hinge designed specifically for PVC doors in the UK. With its patent-pending technology and registered design, InvisiHinge is a game-changer, delivering clean sightlines, and superior performance.

Features & benefits

Seamless design, invisible integration.

Hidden from sight – No visible hinge for a sleek, uninterrupted door appearance.

Perfect for all doors – Flush fit for a clean, aesthetic look.

One colour, One solution – A universal finish that complements all doors - less inventory.

Invisible Hinge – Invisible from attack

No plaster line encroachment – A discreet solution for seamless integration.

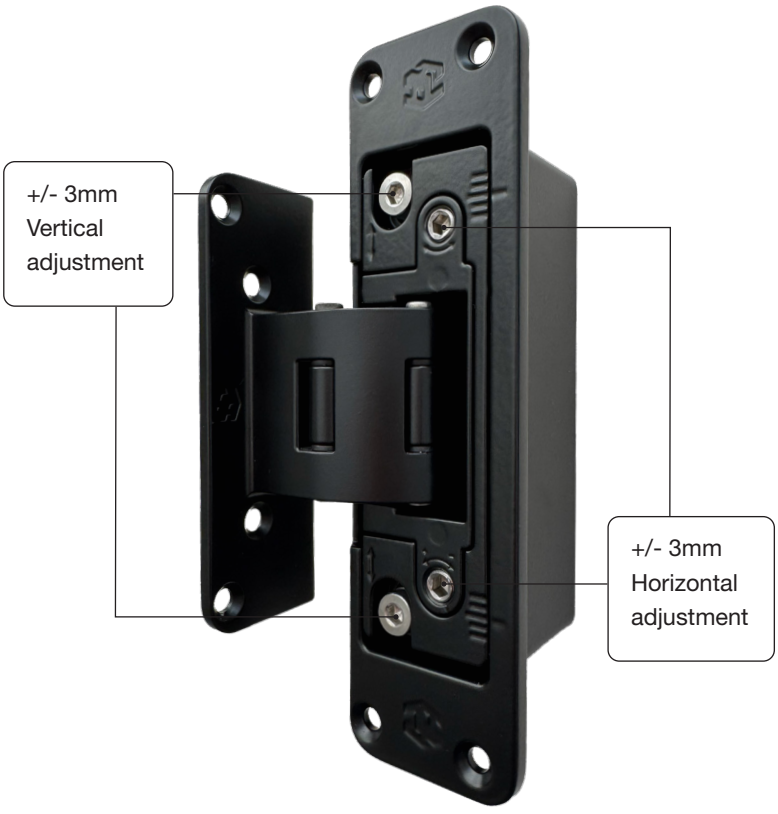

Removable with hinge intact – For ultimate convenience and efficiency.

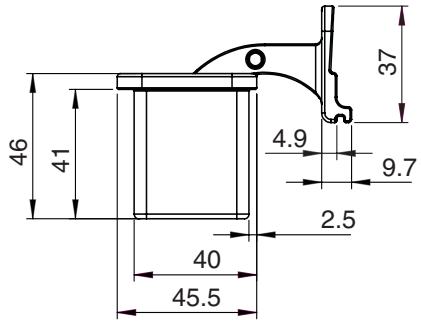

2D Adjustability– 3mm vertical and horisontal adjustability.
