Important Lead Time Notice

All quoted lead times are calculated from the date of order confirmation, not from the original quotation date or the date the order was first submitted. To ensure your required delivery schedule can be achieved, please review and confirm all orders as soon as possible.

Delays in confirming orders may result in revised production and delivery dates. Vintage UPVC Products Ltd will always endeavour to meet requested delivery dates where possible; however, lead times cannot be guaranteed until the order has been formally confirmed and accepted into production.
